NEWSLETTER

Back by popular demand, our newsletter will be printed and mailed on a quarterly basis. As anyone can imagine, it is a great undertaking and takes a monumental amount of time and money to prepare, print, fold, stamp, address, staple, and make sure all 800+ newsletters get to the post office. Thank you to the several members that have volunteered their time to make sure this newsletter gets to you. Because this is a quarterly newsletter instead of a monthly newsletter, three months of calendars will be distributed with each printed newsletter. These calendars are SUBJECT TO CHANGE. In order to make sure you stay up to date with the events at AVGC, you can check the calendars at applevalleygunclub.com as they will be updated monthly.
