### Reports

Treasurer- Jonathan Weldy

1. Report on account balances- reviewed bank balances and checkbook ledger for January.

Secretary- Elizabeth Stuppy

1. Membership numbers: 1,371 grand total: 735 regular, 129 associate, and 507 senior

Vice President-Ed Swan

1. Range Monitor duties: report on program progress. Some members have been less than friendly. The job of the Range Monitor is to be an ambassador for safety, which includes advising of the rules that we require at the range. Wearing a membership card is a requirement of this club, as is signing in at the Adobe. These simple requests should not be met with push back and disrespect. Tracey explained sportsman like behavior is a requirement of our Bylaws.

President-

1. Gun Show Feb 16/17-we are fully staffed
2. Brief review of pending gun laws- Tracey couldn't find the new published laws on the DOJ website.
3. Tracey advised members we are raffling off FNRA table seats at the end of the night so get raffle tickets if you haven't already!

### Range Reports

- Pistol Range- No report
- Indoor Range - Kyle reported. The floor has been re-stripped to help with the columns not being shot. So far no further damage. Jr. Rifle is

having a little issue with their mats so they will continue to work out the lines. Will need to take the range down for 3 days when lines are repainted, but will advise well in advance of that. CJ reported on Jr Pistol that the kids now have books and homework. Call out for qualified coaches and RSOs to help.

- Rifle Range- Justin out. Ray reported on Jr Rifle: the program is taking off. 14 kids last night! He also needs more volunteers.
- Trap Range- Gary Menser: went over calendar and pricing. As CRSO: Advised of WOT coming up and we need a full roster of volunteers to help.
- Archery Range- Sandy went over the calendar. Congrats to new instructors!
- Facilities - In April, the clean-up day is on Easter; Tim would like to move it to the following Sunday. The rifle range has new concrete. It is a shooting platform for CMP matches, it is not a driveway! 2/25-3/7 the D street off ramp is going to be closed-traffic will be a mess. Results of the survey-tie for #1 was Pistol range bathrooms and key card access. FYI- we can't put in bathrooms until Caltrans is done and gives us back our property. BOD needs to change the calendar to "range will be closed" not "may be closed" until 2 pm on work party days. There will be no work party or orientation this week due to inclement weather.
